

tellalis

promoting creativity

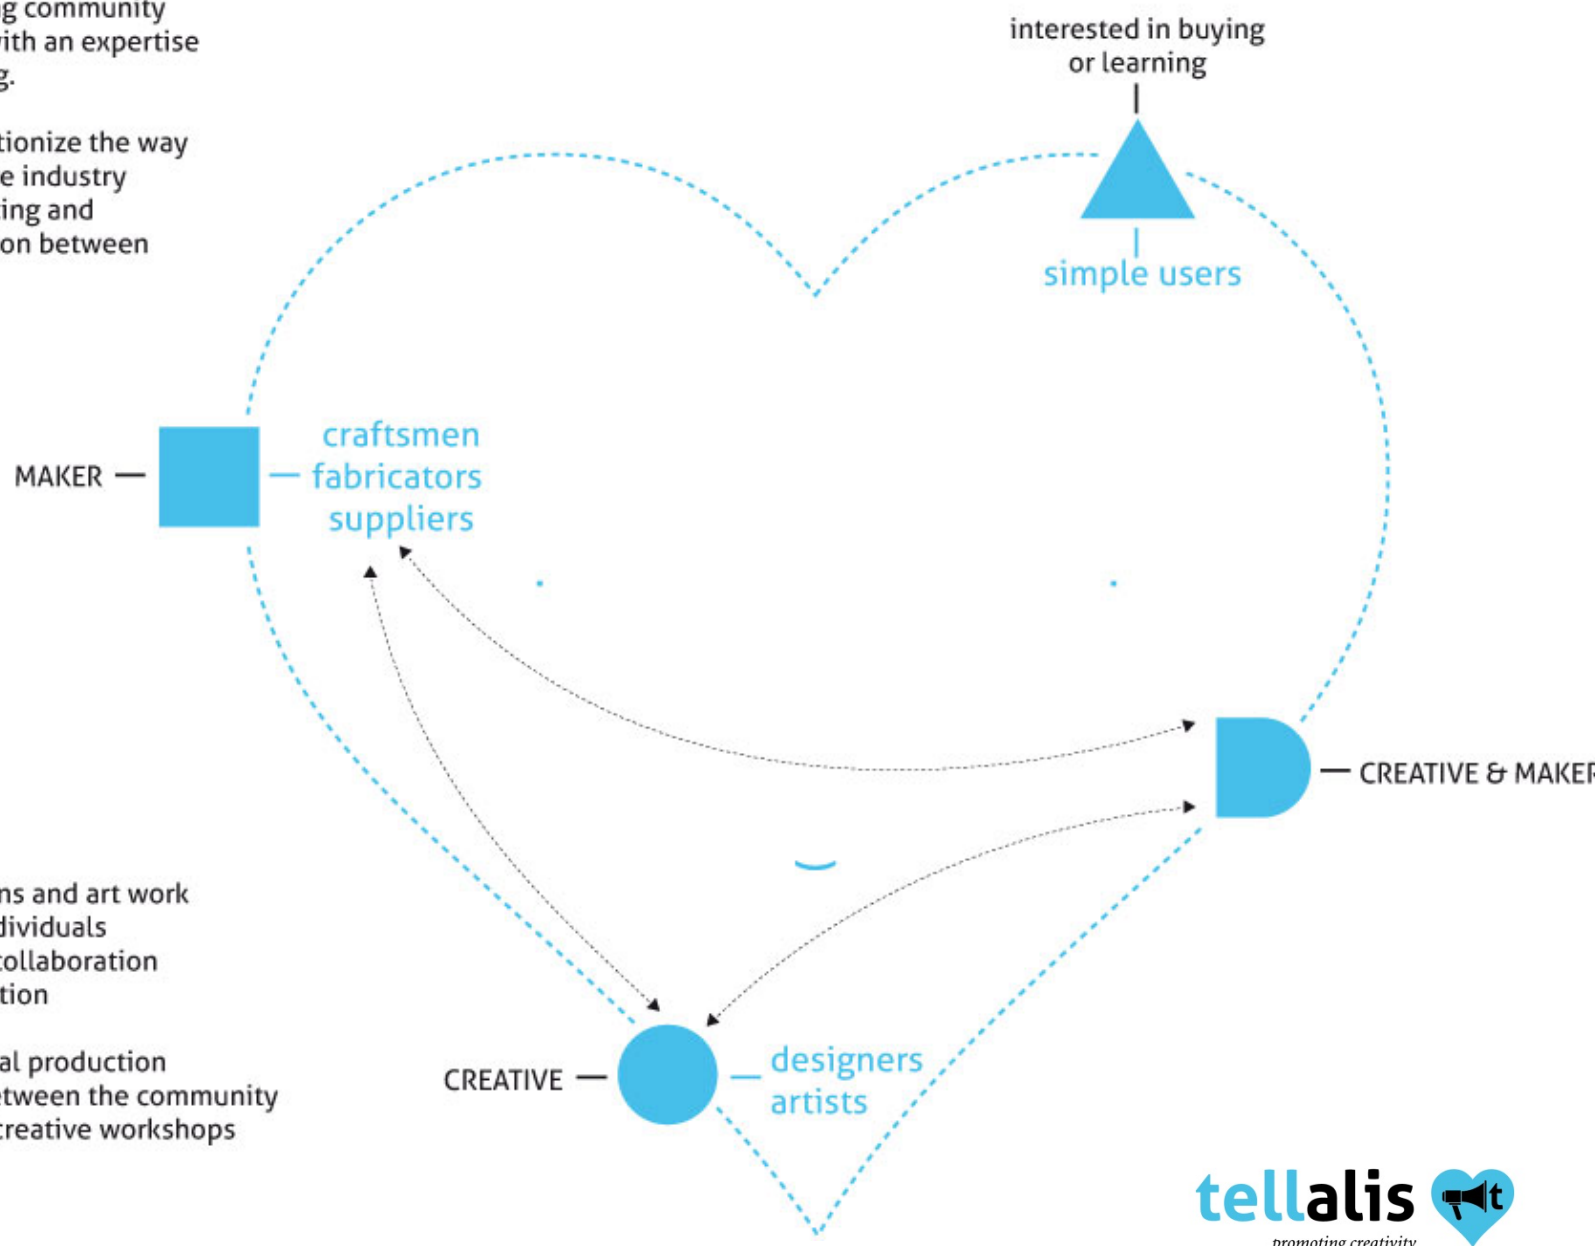

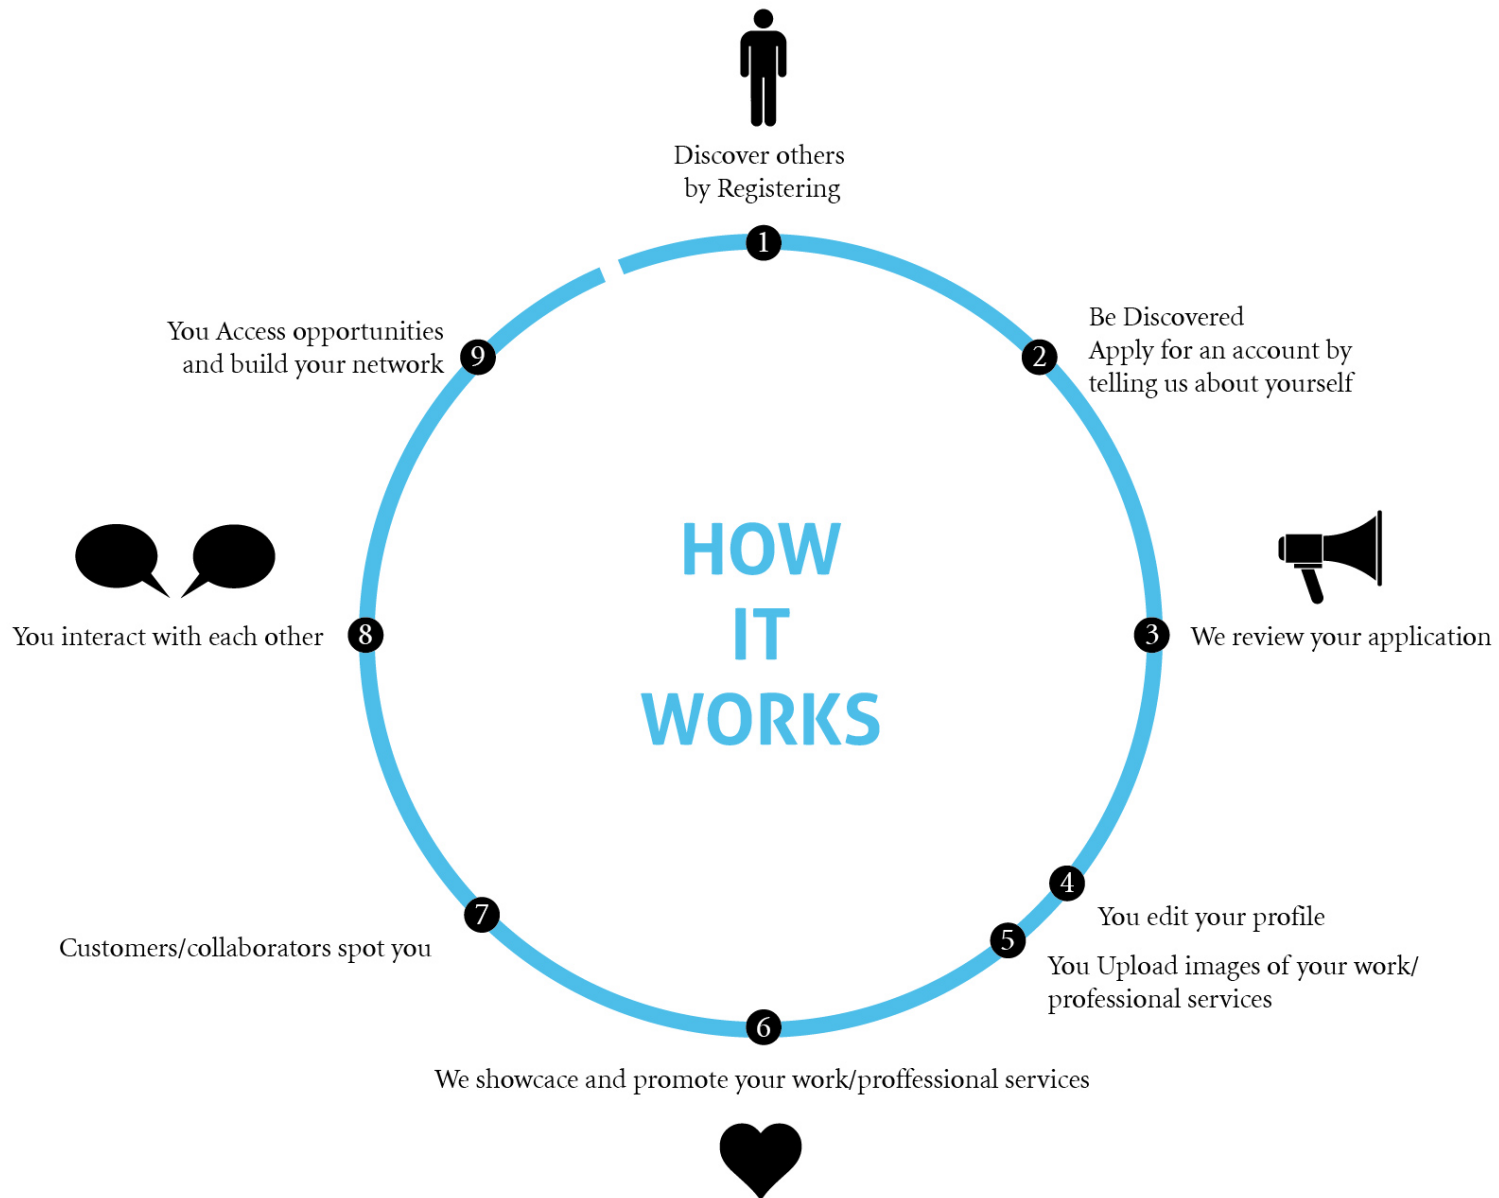

Tellaliens welcome

Tellalis is an evergrowing community and learning platform with an expertise in creative matchmaking.

Tellalis' aim is to revolutionize the way the current local creative industry performs by democratizing and reinforcing the interaction between the community.

- By joining Tellalis you:
- discover unique designs and art work from local talented individuals
 - reinforce community collaboration
 - encourage self-promotion
 - support innovation
 - offer promotion to local production
 - support interaction between the community
 - learn from organised creative workshops
