

Digital Transformation:
Welcome to the new connected world

Βασίλης Νικολαΐδης, Διευθυντής Πωλήσεων

Digital Transformation

What is it?

**A change
in the way
we work !**

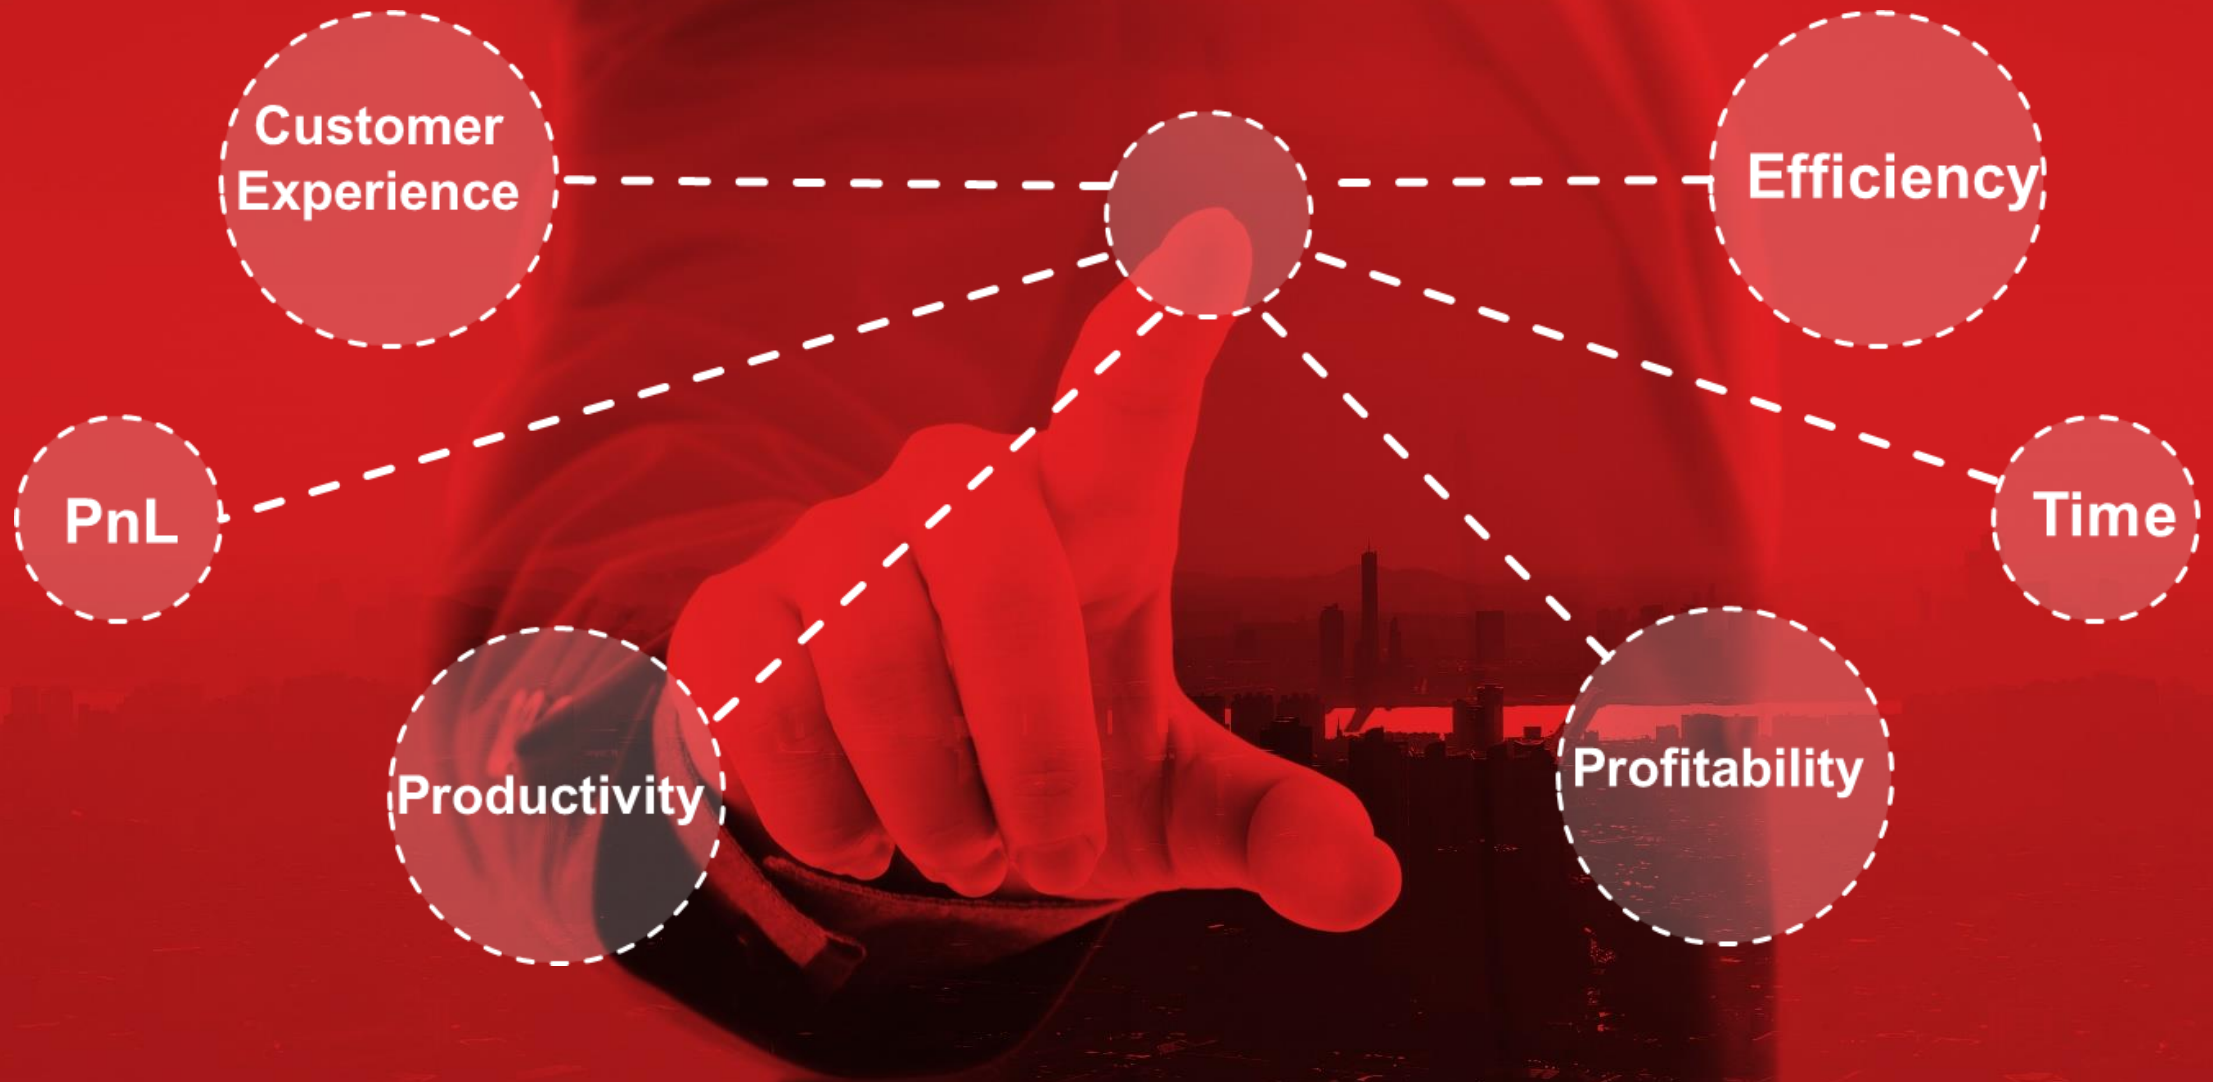

How we step into it?

**Change
the way
we think!**

Different POV's same Goal

Technology is driving change

Government Bottom line expected results

Savings in fuel
consumption

Savings in annual
maintenance costs

Fleet Management success story

KIK Trading Bottom line results

40%

Fleet solutions provided
40% decrease in fuel
consumption

30K

Fleet solutions saved
30K annually on
maintenance costs

Fleet Management success story

"It's a huge benefit. The solution was cost effective, and we saw a return on investment immediately. PrimeTel & SmartNav also helped us setup and implement the new technology."

Rones Constantinou, General Manager, KIK TRADING LTD
